..... F Card: Belgian eID Procedure What is F and F+ Card? The F Card (Appendix 9) is issued to family members of third-country nationals in Belgium based on the right to family reunification with a Belgian or EU citizen after the approval of their residence application.. Or perhaps a Belgian citizenship if an applicant meets all the criteria If the application of the F+ Card (Appendix 9a Stay Decision) is not successful, the F Card would be extended for another five years.
